

Vacancies for volunteer officers for Camelford Hall

The Camelford Hall Board of Trustees will shortly be seeking two replacement volunteer officers to take charge of the day-to-day running of this valuable community asset.

At the next Annual General Meeting (in May) of Camelford Hall Trustees the present Chairman and the Secretary, after long service to the community, will be standing down for personal reasons.

If replacements cannot be found for these voluntary posts then the Hall may have to close, or be sold off, or be run by a committee of the Town Council.

Anyone interested in filling these two vital positions of trust are asked to contact the present Secretary, Clare Ireland on (01840) 213527
